1. The attached memoranda from General Fitch, which we are forwarding for review, are responsive to a Board action of 14 February (USIB-M-200, item 6) and report on the review by his committee of (a) the recommendations of the President's Foreign Intelligence Advisory Board regarding "Advance Intelligence Pertaining to the Berlin Wall" [redacted] and [redacted] (b) Mr. Coyne's memorandum concerning "The Watch Committee--National Indications Center" (USIB-D-29.1/6, 13 February, TS # 173141).

2. As you will recall, the Board agreed at the 28 February meeting that it would be desirable to request an extension of the 12 March target date for reply to the White House on the recommendation of the President's Board, so that General Fitch and the members of his committee (Mr. [redacted]) could be present for Board discussion of the report. We have been advised by Mr. Amory that appropriate approval has been obtained for an extension in Mr. Bundy's original target date.

3. We presently plan, therefore, to place these reports on the agenda of the USIB meeting scheduled for 21 March, for Board consideration and action, including on the proposed responses to the White House and Mr. Coyne.
